2019-20 10th Grade Course Selection

All students will have the opportunity to meet individually with eSTEM Counselor Mrs. Cabal to review and finalize class selections starting March 7th through his/her Exploring Computer Science or Intro to Engineering class. Please have this form completed by then.

Summer school courses are scheduled during this time. Students will take Health which is one session. Students can also make up credits if needed. Students cannot take PE this summer due to new district and state regulations. Summer school offers two sessions, with each session being the equivalent of one semester.

Circle and/or fill in one of the boxes below:

Health	Make Up:
--------	----------

The STEM elective you choose will determine the STEM pathway you will be working towards — Medical or Engineering.

To keep to the eSTEM 4-year plan, a typical 10th grade schedule may look like:

Language Arts 2	World History
Math	STEM Elective
Chemistry	Foreign Language

Student Name: _____ ID: _____

My college goal: _____ My career goal: _____

Parent signature below indicates that both parties approve the course selections and understand that all Honors, Enhanced and Advanced Placement courses are yearlong commitments.
