Aug-19

As a general standard to letter in choir, you must be an exemplary choir student. This includes demonstrating a positive attitude at all rehearsals, attending all concerts, earning all A's in choir, helping with fundraisers, and volunteering to help whenever needed. In addition to these basic requirements, you must earn points according to your grade level. All points must be documented (including dates & programs) and be compiled into a professional portfolio/folder which needs to be handed in to Ms. Bohl by the beginning of May.

Please use the checklist below to ensure you have completed all the requirements. Your portfolio should include all programs, logs, and other evidence of your lettering qualification. **Quality of presentation will be considered as to whether or not you will receive a letter.**
