

**** Important Vaccination Information ****

Is your child entering the 9th grade?

- If your child is entering the 9th grade next year, they **MUST** show proof of receiving a TB skin test on or after August 2011.
- If your child has already received a TB skin test on or after August 2011, please take the proof of immunization to your current school.
- This proof must be received prior to the start of the 2012-13 school year.

PLEASE REMEMBER...

Tuberculosis ("TB") Skin Test

All students entering the 9th grade are required to be tested for tuberculosis (also known as "TB"). Students WILL NOT be allowed to start school in August 2012 unless they have completed their testing for TB and have given their results to their school's nurse.

Questions / More Information...

If you have any questions about TB testing, please contact either your school's nurse or your health care provider.

Don't wait until the last minute.

Make sure you get this testing done immediately!
