

ICAP LESSON: Interest Profiler

Grade: 9

Materials: Computer Lab – Day 1

Day 2:

- Have each student log in to their College in Colorado account. They should complete the interest profiler under Career Planning -> Learn About Yourself ->Interest Profiler.
- Once complete, students should read about and write down their TOP INTEREST AREAS (personality type).
- Students should complete the Interest Profiler Worksheet by investigating 2 careers that they find interesting.
- Students should add 1-2 careers of interest to their Portfolio.
