- Share your photos, videos and stories with other ACIS travelers like you

The Queen's House a.k.a. The location of that kiss.

1 of 8

TAGS: none

Buckingham Palace. A month ago the eyes of the world were on the London home of our Queen after the wedding of her grandson, Prince William and Kate Middleton. Where we posed for our photo was crowded with people on April 29th, prompting the new Duchess of Cambridge to say "Wow!" as she walked out onto the balcony. Some of our ladies contemplated what they had to do to meet Prince Harry so they too could have a similar reaction!
