Question from Lifetouch Photography

Question: We would like to clarify if changes to the following terms & condition for the RFP are acceptable? If so, how should we note this change? Please note, the district will have access to all images for school use. However, in order to be able to legally sell packages to consumer we must retain copyright.

PATENTS AND COPYRIGHTS: All services, information, computer program elements, reports and other deliverables which may be patented or copyrighted and created under this contract **specifically and uniquely for the District** are the property of the District and shall not be used or released by the Contractor or any other person except with the prior written permission of the District. **For the avoidance of doubt, Contractor's photographic images are specifically excluded from this provision. Contractor is and remains the copyright owner of its photographic images.**

Answer: You can prepare however you want to submit your proposal, once we received the proposal, our Evaluation Committee will review and make their final decision to accept it or not.
