

1

Personalized Student Support On-Demand.

Every Tutor.com session is one-to-one between tutor and student. Your students get help with their own specific questions or assignments—right when they need it.

2

Extends the Learning Day.

When students are struggling with homework after-school and on the weekends, our tutors are available to help.

3

Impacts Student Achievement.

95% of students who use Tutor.com say it helps them complete their homework and improve their grades. That way, students come to class prepared and ready to learn.

4

Builds Confident Learners.

Students also report that Tutor.com helps them feel more confident with their school work. In fact, 86% of students are more likely to take an AP course if they have Tutor.com.

5

Tutors You Can Trust.

All of our tutors—more than 2,500 of them—complete a rigorous application and qualification process that includes an extensive third-party background check.

"I feel more confident at school after using this program and my grades have drastically improved."

—11th Grade Algebra Student

10 THINGS TEACHERS SHOULD KNOW ABOUT TUTOR.COM

6

20+ Subjects.

Students can get help with all math, science, social studies and English subjects, including algebra, chemistry, statistics, biology and essay writing.

7

Test Prep, Too.

Whether they are prepping for the SAT, ACT or a standardized test, students can get help studying from a tutor.

8

Accessible From Anywhere.

Wherever your students have online access, they can connect to a tutor. At home, at school, and anywhere in between with a mobile device.

9

Students Love It.

We get thousands of comments every day from students who tell us they "absolutely love Tutor.com" and the boost it gives their grades, confidence and interest in schoolwork.

10

Tutor.com Is Easy to Use.

Students sign in at homework.apls.state.al.us to connect with a tutor. All they need to do is choose a subject and then ask a question. The tutor takes it from there.
