Welcome to our Distance Learning Classroom!   **Student Time Expectation per day: 30 minutes**

Content Area & Materials	Learning Objectives	Tasks • Unplugged Option • Digital Option • Blended Combination	Check-in Opportunities • Phone Call • Video Call • Email • Messaging platform	Submission of Work for Grades • Expectation • Evidence: Log, Product • Method: Scan, photo, upload, or deliver
ALGEBRA 2 **Relating the Exponential Function to the COVID-19 Pandemic**	Students will be able to connect their lesson on exponential functions to the COVID-19 pandemic, citing examples, data, news taken from mainstream media, CDC, WHO and other authorities on the present crisis.	**Cite examples (news, data, etc.) on why the the COVID-19 infection follows an exponential curve. **Explain why a decrease in the number of infections does not result in "flattening the curve." **Make an informed hypothesis on what the community of Tracy needs to do to "flatten the curve." --citing mathematical calculations connecting to the exponential function.	Mrs Madarang will email all students copies of the worksheet Students will also be able to view their assignments and resources online on the Algebra 2 calendar. Students can email Mrs Madarang for questions at imadarang@tusd.net	Students may print out their own copies, write the work down on binder/graph paper, or type it in readable format (word, google docs, etc) **All work for week 4 is due on May 21, 2020.** They also have the option to submit hard copies of their work to school on or before the due date.
Scheduled, _if possible,_ **Shared Experience** • Discussion	Mrs Madarang will post e-copies of the assignment on the Algebra 2 Calendar located at: https://tracyusd.sharepoint.com/sites/imadarang/Lists/Algebra%202%20CP/calendar.aspx			
Scaffolds & Supports	Mrs Madarang draws resources media sources, CDC announcements, WHO, etc.			

Teacher Office Hours _2 hours daily (all classes):_ • Contact	**Monday** **10-12 all students** **1-2 Adv Math only**	**Tuesday** **10-12 all students** **1-2 Alg 2 only**	**Wednesday** **10-12 all students** **1-2 Alg 1 only**	**Thursday** **10-12 all students** **1-2 Alg 2 only**	**Friday** **10-12 all students** **1-2 Alg 1 only**
