

1.5 State building in Africa

1200-1450

First—a word about integrity and academic honesty.

- **Academic Honesty means. Doing your own work. Not taking pictures of others completed work and passing it off as your own.**
- **If you are unsure....ask me.**
- Some answers will be the same because they are the same questions.
*But.... In an SAQ (Short answer question) they should not be word for word the same.
- In any writing assignment, they should NEVER be word for word the same.
- Examples?
