Attendance Expectations

- Please show up to the meeting on time with cameras **ON** and microphones **OFF**
- Cameras must be on and I must see your face for safety reasons. (I don't even like my picture taken, so I understand.... but if I can do it, you can do it!)
- Students will be marked tardy after the first 5 minutes of class has passed.
- Students who do not show up to the meet at all, show up for only a small portion, or only answer the attendance question, will be marked **ABSENT**.

Behavior Expectations

- Have the appropriate supplies before joining class
- Dress appropriately (follow the district's dress code)
- Show up at the correct time & stay until dismissed
- Find a quiet place to have your Meet, away from distractions
- Cell phones must be put away
- If you have a question, put it in the chat
- Keep your microphone muted until you are called upon to speak
- Keep chats on topic, always be respectful / responsible
- When responding to others in the chat, type the @ symbol and their name
- Please refrain from chewing gum or eating food in front of the camera.
- Hang up at the end of the Meet.

Minor offenses: verbal correction/ redirection
3 minor offenses = **1 Major** offense

*****Major Offenses: 3 Strikes, you're out!*****

- **1st major** offense – Written Warning/Contract
- **2nd major** offense – Parent Contact
- **3rd major** offense – Principal Contact and possible further action

(**“Major”** offenses can consist of both numerous **“minor”** offences and or individual offences that are extreme in nature)

Important Note: I rarely have discipline problems and have never had to call a principal meeting. Students realize rather quickly, that I treat them with nothing but respect and they usually reciprocate that behavior 99% of the time.

Discipline Protocol

Assignments / Assessments

- Please submit assignments on-time. Grading becomes extremely difficult if work is trickling in at different times
- Due dates are on every assignment
- All assignments will be assigned from and submitted to Google Classroom
- Late work is accepted up to one week after the end of the unit
- Classwork/Homework assignments are worth 30% of the overall grade
- Assessments/Tests are worth 70% of the overall grade

Together, We Can!

Please remember, If I'm contacting you, it's not to deliver "bad news".

I may know how to teach the curriculum, but you know your child! Together, we can find the best options to support your child and help them succeed.

Thank You For Joining Us This Evening!
