REMINI

- Be mindful that the online classroom is still class and removing distractions is critical in this new learning environment.
- Remember that school is a safe space (even virtually) and respecting the privacy of other students is necessary to maintaining the integrity of the class.
- Parents: Please do not interrupt, engage, or interact with the teacher or Student during live instruction.
- Students are expected to be attentive to class, to have the camera on, and to have the ability to unmute the microphone to participate.
- Students are encouraged to utilize office hours. Parents can also interact with the teacher during office hours.
