

Parent Consent Form for Home Delivery: Vacation school closure

Due to Covid-19 outbreaks the Department of Children Nutrition is allowing districts to provide home deliveries for meals.

This program is FREE to all.

The meals will be **distributed on and Tuesday April 20th 8am-1:00pm for the week of April break. Each child will receive 7 breakfast and 7 lunches.**

If you would like to participate in this program please fill out the form below and return to Jeanette LaPlume @ laplumej@putnam.k12.ct.us

It is very important that meals are refrigerated as soon as delivery is made, health and food safety is our utmost concern.

We thank you for participating in our program, it is a pleasure to serve the community in this stressful and difficult time.

By your participation it helps support local food companies and helps support the food service department staff.
