### Principal's Message

The crisp bright mornings of the Spring are upon us providing a hope for the warmer season and an end to the long cold winter. April is inspiring as we continue to Spring forward enjoying longer daylight hours, and an opportunity to be outdoors in the fresh air. April is also a time to relax, renew and rejuvenate during spring break to prepare for the final stretch of the school year, as well as our most important end of year testing. Spring break is always a much-needed time to rest, regenerate and enjoy what you like most! May everyone be showered with safety, excellent health, kindness, and happiness throughout your spring break and always!

Warmest Regards, Principal Rosser
