Math:

Big Ideas Chapter 12

We will continue learning about the following 3D shapes: cubes, spheres, cones, and cylinders. We will also spend time comparing 2D and 3D shapes. We will work on positional words: above, below, behind, in front, and beside.

Continue to practice the addition and subtraction flashcards with your child.

Important Information

The Report of Learning Folders will be coming home Wednesday, April 27th. Progress Reports will need to be signed and returned to school by Friday, April 29th. Take time to read through the Progress Reports, especially the Teacher Comment boxes labeled as the 4th Nine Weeks. Please work with your child on the areas that have not been mastered yet. We have just a few weeks before our final Report Card assessments begin. Let's work together to help your child master the standards.
