MUSIC NEWS: Mr. Erdmann, Music Teacher

Spring is officially here! Very soon we will be seeing the flowers bloom and the birds singing. And very soon, we will be having our annual Spring Concert. The students and I have started to look over some songs for our special event, and our looking forward to performing for all of you. This year's Spring Concert will be held on Friday, May 25th. With our concert falling on the last school day before Memorial Day (May 28th), we thought it would only be appropriate to have a "Salute to America and Our Troops" theme for our show. Our students will be singing many of the popular Patriotic songs, as well as songs that pay tribute to our country's troops and heroes. As the event gets closer, we will send out more details to all of you. We all look forward to seeing you at our Spring Concert in May. As always, thank you so much for all your help and support to our students here at Hopeville Elementary.

3RD GRADE

The end of the third marking period is rapidly approaching and the Third Grade is on full steam ahead! We are busy working on our animal projects which represent the culmination of our reading unit that focused on non-fiction texts. Our next unit will center on poetry and language; the students will have fun exploring the different ways authors express their thoughts and ideas. In Foundations we are learning more vocabulary by examining base words and root words, and how the meaning changes when we add suffixes and prefixes. In math we are wrapping up the module on fractions and will be moving onto our final module which begins with measuring lengths using $\frac{1}{2}$ and $\frac{1}{4}$ inches, drawing and interpreting picture and bar graphs, and rounding numbers to the nearest 10 or 100. Please review telling time, as many third graders are still struggling with this. You can also help your child to stay fluent in the facts by practicing daily multiplication/division and addition/subtraction. Have a quiz!! Make it fun!! ***Important Reminder April is Smarter Balance Testing Month. Please be sure your child is getting a good night's sleep***
