Question B1:

With regards to answer A7 from the link, you indicate that the fee proposal is to be included in the 30 page count. I thought the fee proposals were to be in a separate envelope. Can you please provide clarification?

Answer B1:

The Answer A7 from the Architectural RFQ Question and Answers (A), Posted 6/25/2020 reads that the fee proposal should be page numbered and included within the 30 page (front and back). That was in error. Please incorporate the fee proposals in a sealed envelope accompanying your SOQ and labeled as "[FIRM NAME] Fee Proposal for Architecture RFQ/P 2020"provide a general fee proposal for the project(s).
