Travel Guide Directions:

1. Fold a plain piece of paper into three equal sections.
2. On the front cover, label your brochure.
3. Draw a picture so everyone in your family knows where you are going.
4. Open it up flat. On the left side, write, "day 1" or "Tuesday". This is where you will make a list of your plans for the day. Search for food to eat, music to listen to, something to learn, and the rides you will go on. Remember, you are only visiting 3 lands each day.
5. Repeat this on the other two sections for days 2 and 3.
6. On the backside of each day, write down what you did. This will help you to remember for your vlog!
