

April Art Newsletter

This April, we'll continue our unit on Expressionism. We will imitate this art style using exaggerated lines, bright colors, and bold style! It's all about EXPRESSING yourself! Afterwards, we'll learn about artists who worked with MANY different materials! Students will create their own Story Quilts in the style of Faith Ringgold. Students will also design their dream buildings in the style of Michelangelo, and will practice folding paper to make them stand! Students will explore Art using various tools and methods, and are encouraged to discover new materials that could be used in their Art!

Elements & Principles

*Lines, Warm and Cool Colors,
Shades, Texture*

Movement, Rhythm, Contrast
