****Test/Project results are available on Google Classroom****

STATE TESTING

ELA, MATH, SCIENCE

Physical Fitness Testing-

Mile Run, Sit and Reach, Right Angle Push Ups, Curl Ups

Grading

Quality of work: the presentation of the work is important and will be considered part of the grade. Quality and neatness are important.

NOTE- No name work will be graded but not recorded.

4

IF THE BARISTA GAVE YOU THE DRINK EXACTLY AS ORDERED BUT ADDED EXTRA CHOCOLATE CHIPS AND A PERFECT DOLLOP OF WHIPPED CREAM , YOU'D BE SUPER HAPPY. IT WAS BETTER THAN EXPECTED!

3

IF SHE GAVE YOU THE DRINK EXACTLY AS ORDERED WITH NO MISTAKES, YOU'RE SATISFIED. THAT'S GOOD! THAT'S A 100%.

2

IF SHE GETS SOMETHING WRONG - CUP ISN'T FULL, WRONG SIZE, NOT ICED, ETC. - THEN YOU'RE A BIT DISAPPOINTED. YOU MIGHT EVEN SEND IT BACK. IT'S CLOSE BUT IT DEFINITELY ISN'T GOOD ENOUGH.

1

IF YOU GET THE WRONG DRINK ENTIRELY - SHE GAVE YOU SOME WEIRD ACAI STRAWBERRY JUICE THING! - THEN YOU DEFINITELY SEND IT BACK. SHE DIDN'T DO ENOUGH OF WHAT YOU ASKED FOR. SHE DIDN'T COMPLETE THE TASK.

HOMework & ACCOUNTability

No Homework will be assigned this year!

However, students who are not using class time wisely, may need to finish up assignments at home.

assignments are given multiple days/weeks to complete

I RECOMMEND 20 minutes of reading a night

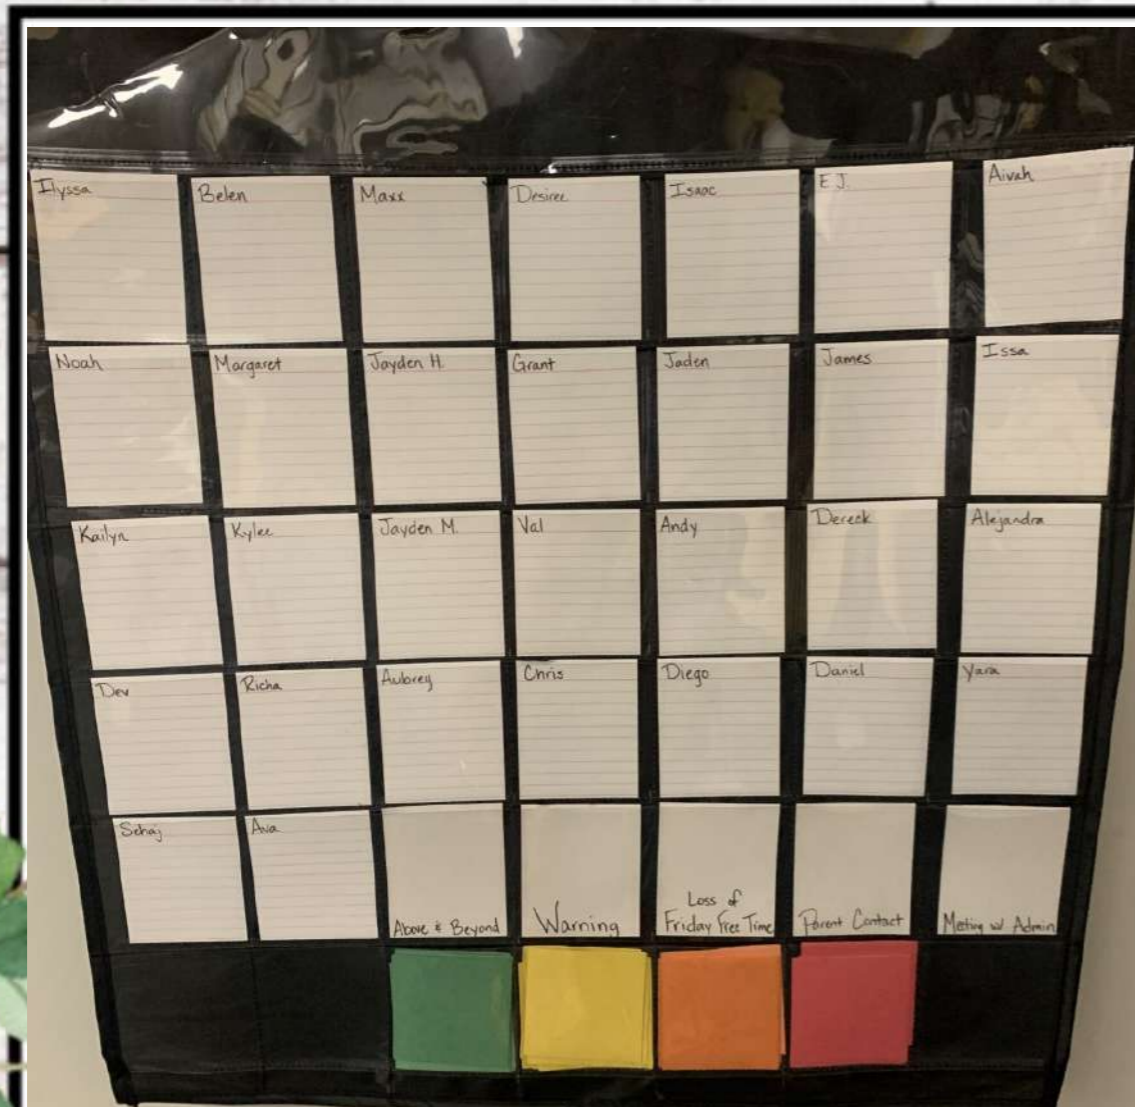

Extra Support:

- IXL
- Google search worksheets
- Khan Academy
