

DMS EXPLORE WHEEL

4 classes in 1 year:

ART ★ MUSIC ★ HEALTH ★ DRAMA

explore ART

In Explore Art, you will have an opportunity to explore art through creative projects. You will also learn about artists, art history, and learn to make connections with art and other subjects.

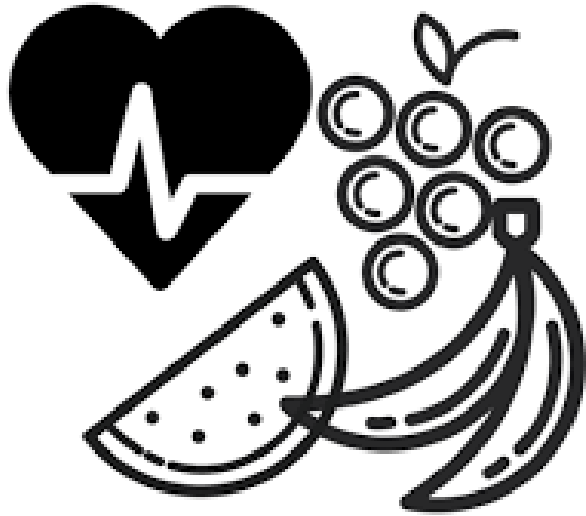

explore

Music

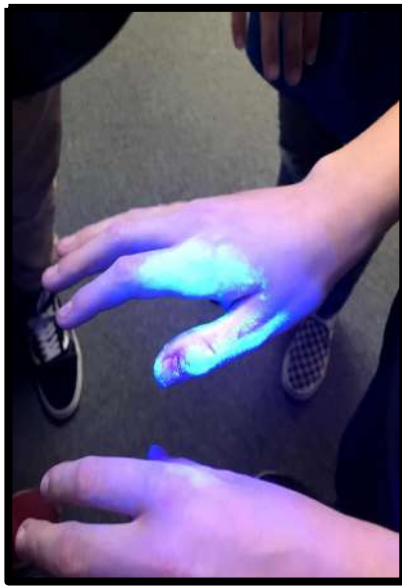

In Explore Music class you will participate in a variety of activities that will introduce you to the basic elements of music:

- Bucket Drumming
- Composer Bios
- Listening Activities
- Musical Games
- And Much More!

explore Health

In explore health, you will learn about physical, emotional, and social health through hands-on activities. You will learn problem solving tools to help guide you through your middle school years.

explore DRAMA

In Explore Drama, you will learn Stage movement and blocking, history of theatre, pantomime, prop design, and scene work.

You will also learn physical and vocal warm-ups that will help your acting (and let you be a little goofy!)

if you are interested in a
year long performing arts
class, check out the
other SlideshowS for
band and choir.
