Additional Information:

A jury consisting of one retired public school art educator, one college art educator, and one museum educator or practicing artist will be chosen by the supervision committee of the secondary art faculty. The jury will be "double blind," meaning that the names of the jurors will

not be known by the applicant and the art work of the applicants will be identified only by number.

All materials will be returned to the applicants' home schools by May 1.

The awarded scholarship will be paid directly to the accredited university, college, or art school to cover tuition with proof of enrollment in two art classes or declaration of an art major. If a student fails to meet either of these criteria in either the first or second semester of their college career the scholarship will be forfeited and the funds will remain with the Great Falls Education Foundation.
