

AT HOME LEARNING

Week 7

Graph the weather! Color & read your ABC book!

Monday – Weather

Reading

Read a book about weather. Pretend to read the book upside down and backwards. Have them show you how to do it.

Letters & Sounds

“Cloud writing”. Place shaving cream in a tray or baking pan. Write letters with their finger.

Math

Number Dot It! Use clouds to cover the board (aka cotton balls).

Fine Motor

Draw or fingerprint a rainbow.

Art or Sensory

Make a rain stick. Use a cardboard tube. Tape one end and place rice and sticks inside. Tape the other end and decorate with markers.

Science

Go or look outside to see what the weather is and graph it on your weather graph. Remember to do this everyday.

Tuesday – The Beach

Reading

Read a book about the beach or beach animals. Who are the characters in the book?

Letters & Sounds

Pretend you are at the beach and lay on a beach towel. Play the Clap and Build Syllables game.

Math

Find 5 ocean animal figures. Measure each animal with crayons. Line the crayons up to make a ruler. Count how many long each animal is.

Fine Motor

Draw beach waves on a piece of paper. Trace the lines with various shades of blue marker and crayon.

Art or Sensory

Make a beach sensory tub. Place sand or Kinetic sand in a plastic tub. Wet the sand and make sandcastles. Add seashells.

Science

Make a sensory bottle. See recipe page for directions.

Wednesday – Camping

Reading

Read a book about camping or nature. Predict what is this book going to be about?

Letters & Sounds

Play letter or sound Dot It. Use mini marshmallows to cover the spots.

Math

Go on a rock hunt. Sort the rocks by size using the sorting board. Which has the most/least?

Fine Motor

Make a trail mix necklace. Lace circle cereal and mini pretzels on a string or pipe cleaner. Eat it when you are finished!

Art or Sensory

Campfire art! Cut small strips of brown paper. Draw the fire or finger paint it with red, yellow, and orange.

STEM

Put up a tent or fort outside. Camp, sing songs, and have a picnic.

PLAY IS THE HIGHEST FORM OF RESEARCH – ALBERT EINSTEIN

AT HOME LEARNING

Week 7

Graph the weather! Color & read your ABC book!

Thursday - Plants

Reading

Read a book about plants. Is it a fiction or non-fiction book?
How do you know?

Letters & Sounds

Make a list of the parts of a plant (stem, leaf, flower).
What is the first sound in each word?

Math

Collect leaves, petals, and stems/sticks. Sort the leaves various ways. Make shapes with the objects.

Fine Motor

Collect leaves and petals. Use a hole punch to make holes in each one. Lace a piece of string through the holes.

Art or Sensory

Paint with flowers. Put the flowers in paint and stamp them onto the paper.

Science

Dissect a plant. Pull a weed. Point out the parts of a plant and what each part does.

Friday – Letters

Reading

Read an ABC book. Say the sound of each letter as you read.

Letters & Sounds

Sort the letters using the sorting boards. Cut out the small letters. Sort the letters and glue them to the boards.

Math

Make a list of everyone in your family. Count the number of letters in each person's name. Who has the most/least letters in their name?

Fine Motor

Make a writing tray with a cake pan. Put sprinkles or salt in the bottom. Using your finger, write letters in the tray.

Art or Sensory

Letter collage! Use the tiny letters or cut letters from magazines/ads and create a letter collage.

Gross Motor

Make an obstacle course. Place letter cards along the way. Say the letters and sounds as you go through the course.

Apps & Websites to try

Raz-Kids

Mini readers at various levels and offers Spanish and French too.

(free for 30 days)
