

Art Freiler Third Grade

Distance Learning Assignments for Week 4 (May 11-15, 2020)

Due Friday, May 15, 2020 to the Freiler Office

You can do either the printed or digital form, but the work must be completed by 5/15/2020. You can bring it to Freiler on 5/15/2020 or you can take a picture or scan it and send it to your teacher by the due date.

Science Theme for the Week: Science Standard ESS2.D: Weather and Climate

1. Scientists record patterns of the weather across different times and areas so that they can make predictions about what kind of weather might happen next. (3-ESS2-1)
2. Climate describes a range of an area's typical weather conditions and the extent to which those conditions vary over years.
