

Strive for the impossible, and be extraordinary!

Dear Knights,

November 23, 2016

Congratulations to the ACP Mathletes for their outstanding performance last Friday at the Central Arizona Math league competition. The 6th grade top finishers were: Jack Li - 3rd place in the Sprint round, Kristopher Luo - 9th place in the Target round, and Kenneth Su - 5th place in the Number Sense round. The team of Aagam Prakash, Kristopher Luo, Kenneth, Su and Megumi Leung placed 2nd in the Team round and 1st in the Sweepstakes round. Megumi Leung, Jack Li, Kristopher Luo, Aagam Prakash, and Kenneth Su all qualified for the State Championships. The sixth grade team placed 1st in the Elementary category!

The 7th graders also placed high with Richard Cheng taking 3rd in the Sprint round, Tristan Ma placed 1st in the Target round and 2nd in the Individual round. The 8th graders had Rick Sun place 3rd in the Sprint round, Logan Kraver placed 1st in the Target round, and the team of Alec Gonzalez, Rick Sun, Xenia Zhao and Aris Zhu placed 3rd in the Team Competition and in the Sweepstakes round. The 7th and 8th grade team placed 2nd in the junior high division. Way to go Knights!

Cheer will begin next quarter! There will be an informational meeting in the library on Friday December 2nd during academic lab. All who are interested are invited to attend.

With the holidays coming up, what better way to remember the school year than to give your child a collection of memories of their magnificent year? A time capsule that will live forever and capture the key moments of the 2016-17 school year. A yearbook is the perfect gift that allows anyone to flip through and see exactly what their year was all about. From sports and clubs to trends, this yearbook has everything to completely encapsulate the highlights of the year. The yearbook staff is working diligently to make sure every student in the school is represented throughout the whole book. The yearbook is currently available for sale at Jostens.com for \$35 before the new year. After December 31st, 2016, the price will increase to \$40, so make sure to order it before then! You will not be disappointed!

Finally, we have an announcement regarding the selection of the next book for our Parent Book Club. In September we discussed Charles Duhigg's book, *Smarter Faster Better*. Mr. Duhigg provides the perfect mix of real life stories to draw the reader in and illustrate his points. When discussing which book to use for the next book club event several people suggested *The Power of Habit: Why we do what we do in life and business*, also by Mr. Duhigg. *The Power of Habit* explores the science of why we form habits, and how to break them. We will be meeting on April 12th, at 6:30 pm in the media center. If you would like to participate, please let us know by filling out the very brief survey.

[Click here to sign up for our parent book study.](#)

We hope you have a safe and well deserved Thanksgiving break.
