The Board's time is dedicated to its strategic mission of governance and policy within designated priority areas. Public insights are welcomed. The Board encourages people to meet with the most appropriate person amongst district and building leaders to share concerns and input. The agenda item "Citizen's to Address the Board" is an opportunity to present brief comments or pose questions to the board for consideration or follow-up. People should contact the District Office to request to be on the agenda or sign up at the meeting on the sheet at the entrance to the board room area. Each person is asked to keep comments to five minutes. The boundaries are designed to help keep the strategic meeting focused and in no way limits conversations beyond the board meeting. If you are interested in helping the district's achievement efforts, please talk with any member of the leadership team or call the district office at 719-738-1520. Opportunities abound. Your meaningful participation through appropriate avenues is highly desired.
