Principal's Message

On behalf of our entire staff, we would like to welcome you to an exciting 2018-2019 school year. Much planning, construction, and hard work has gone into preparing for a successful school year.

Let me introduce myself! My name is Mrs. Cook, and I will be the interim principal. I am thrilled to be a part of Greenville Elementary family. I am looking forward to meeting new faces, revisiting with familiar ones, as well as hearing all about your summer adventures! For those of you who have not met me, I have worked in the Butler County School System for the last 14 years and have been the assistant principal of W.O. Parmer for the last three years.

Each year brings positive change. This includes a few additions to our staff. We are delighted to welcome Mrs. Jennifer Sims our new secretary Mrs. Cara Wood, our new school nurse, and Mrs. Isabella Ziglar third grade teacher.. We are fortunate to add these three key players to our team.

This year Greenville Elementary will be working closely with W.O. Parmer. G.E.S. will welcome clubs back this year and partner with W.O. P. for drama club, basketball club, and a few others.

One of our top goals at Greenville Elementary is for our students to have uninterrupted instructional time. Due to that, we ask that you schedule appointments after 3:00 p.m.. Also, we will not be able to call students to the office to give them items. However, we will be more than happy to take things to their classroom at an appropriate time.

Thank you to all who are helping prepare for the new school year. Your commitment is ensuring that Greenville Elementary will remain a successful and celebrated school. I eagerly look forward to greeting students and families. It is an honor and privilege to serve as your interim principal. Please stop by and say hello. Together, I know we will make this school year one of growth and achievement for all children. If you have questions or concerns, my cell is 334-368-6456.

Sincerely,

Belinda Cook

ATTENDANCE MATTERS

every school day counts.

ATTENDANCE CORNER

What can families do to help their student's attendance?

1. Establish a habit of good attendance in early grades.
2. Set a family expectation that absences won't be allowed unless the student is truly sick.
3. Did you know that missing 2 days of school per month fails to meet the expected 95% attendance rate?
4. One of the most important things your child can do to achieve academic success is also one of the most basic: going to school every day.

Don't forget: #GESlove

Drop Off– Students cannot be dropped off until 7:10 am.

Pick up– Pick up begins as soon as the buses leave the parking lot. Pick up is usually over by 3:20 pm.

Breakfast– If your student would like to eat breakfast, they must be dropped off by 7:30.
