Arizona Auditor General Arizona School District Spending Report

Fiscal Year 2018

This document provides a text-based representation of the numbers and other information presented in the graphics on Vernon Elementary School District's summary pages. All data is for fiscal year 2018 unless otherwise noted.

Descriptive information

District name: Vernon Elementary School District County: Apache Operational efficiency peer group: 11 Transportation efficiency peer group: T-11 Student achievement peer group: 18 Legislative district(s): 7 District size: Very small Location: Rural Students attending: 98 Number of schools: 1

Operational Efficiency

Pie chart showing spending by operational area

Instruction: 46.5% Peer average instruction: 50.5% Administration: 20.3% Plant operations: 13.6% Food service: 3.6% Transportation: 8.0% Student support: 4.0% Instruction support: 4.0%

Table showing efficiency measures relative to peer averages

Operational area—Administration

District administration cost per pupil: \$2,935 Peer average administration cost per pupil: \$3,064 District's administration cost per pupil relative to peer average: No Measure State average administration cost per pupil: \$860 District students per administrative position: 28 Peer average students per administrative position: 33 State average students per administrative position: 66 District's overall administration measure relative to peer average: No Measure

Operational area—Plant operations

District plant operations cost per square foot: \$8.23 Peer average plant operations cost per square foot: \$7.31 District's plant operations cost per square foot relative to peer average: No Measure State average plant operations cost per square foot: \$6.34 District plant operations square footage per student: 239 Peer average plant operations square footage per student: 371 District's plant operations square footage per student relative to peer average: No Measure State average plant operations square footage per student relative to peer average: No Measure State average plant operations square footage per student relative to peer average: No Measure State average plant operations measures relative to peer average: No Measure

Operational area—Food service

District food service cost per meal: \$2.96 Peer average food service cost per meal: \$5.79 District's food service cost per meal relative to peer average: No Measure State average food service cost per meal: \$3.02 District's overall food service measure relative to peer average: No Measure

Operational area—Transportation

District transportation cost per mile: \$1.12 Peer average transportation cost per mile: \$1.94 District's transportation cost per mile relative to peer average: No Measure State average transportation cost per mile: \$4.05 District transportation cost per rider: \$834 Peer average transportation cost per rider: \$1,614 District's transportation cost per rider relative to peer average: No Measure State average transportation cost per rider: \$1,301 District's overall transportation measures relative to peer average: No Measure

Table showing per pupil spending

Operational spending

District instruction per pupil spending: \$6,728 Peer average instruction per pupil spending: \$8,493 State average instruction per pupil spending: \$4,480 District administration per pupil spending: \$2,935 Peer average administration per pupil spending: \$3,064 State average administration per pupil spending: \$3,064 District plant operations per pupil spending: \$1,967 Peer average plant operations per pupil spending: \$2,439 State average plant operations per pupil spending: \$988 District food service per pupil spending: \$988 District food service per pupil spending: \$932 State average food service per pupil spending: \$425 District transportation per pupil spending: \$1,155 Peer average transportation per pupil spending: \$973 State average transportation per pupil spending: \$388 District student support per pupil spending: \$573 Peer average student support per pupil spending: \$656 State average student support per pupil spending: \$693 District instruction support per pupil spending: \$577 Peer average instruction support per pupil spending: \$400 State average instruction support per pupil spending: \$462 District total operational per pupil spending: \$14,454 Peer average total operational per pupil spending: \$16,957 State average total operational per pupil spending: \$8,296

Nonoperational spending

District land and buildings per pupil spending: \$0 Peer average land and buildings per pupil spending: \$965 State average land and buildings per pupil spending: \$827 District equipment per pupil spending: \$868 Peer average equipment per pupil spending: \$562 State average equipment per pupil spending: \$409 District interest per pupil spending: \$25 State average interest per pupil spending: \$25 State average interest per pupil spending: \$228 District other per pupil spending: \$16 Peer average other per pupil spending: \$188 State average other per pupil spending: \$169 District total nonoperational per pupil spending: \$885 Peer average total nonoperational per pupil spending: \$1,640 State average total nonoperational per pupil spending: \$1,633

Spending totals

District total per pupil spending: \$15,339 Peer average total per pupil spending: \$18,597 State average total per pupil spending: \$9,929

Student achievement, student and teacher measures, and revenues Bar chart showing Arizona Department of Education-assigned school letter grades A letter grade: 0 schools, representing 0% of all district schools that received a letter grade B letter grade: 1 schools, representing 100% of all district schools that received a letter grade C letter grade: 0 schools, representing 0% of all district schools that received a letter grade D letter grade: 0 schools, representing 0% of all district schools that received a letter grade F letter grade: 0 schools, representing 0% of all district schools that received a letter grade

Bar chart showing the percentages of students who passed State assessments

District percentage of students who passed the State Math assessment: 30% Peer average percentage of students who passed the State Math assessment: 47% State average percentage of students who passed the State Math assessment: 40% District percentage of students who passed the State English Language Arts assessment: 47% Peer average percentage of students who passed the State English Language Arts assessment: 43% State average percentage of students who passed the State English Language Arts assessment: 39% District percentage of students who passed the State Science assessment: 62% Peer average percentage of students who passed the State Science assessment: 61% State average percentage of students who passed the State Science assessment: 51%

Table showing student and teacher measures

District attendance rate: 91% Peer average attendance rate: 94% State average attendance rate: 94% District graduation rate for fiscal year 2017: N/A Peer average graduation rate for fiscal year 2017: N/A State average graduation rate for fiscal year 2017: 78% District poverty rate for fiscal year 2017: 23% Peer average poverty rate for fiscal year 2017: 25% State average poverty rate for fiscal year 2017: 19% District special education population: 18% Peer average special education population: 17% State average special education population: 12% District students per teacher: 10.9 Peer average students per teacher: 12.6 State average students per teacher: 18.4 District average teacher salary: \$45,210 Peer districts' average teacher salary: \$47,486 State average teacher salary: \$48,951 District salary amount from Prop 301: \$3,921 Peer average salary amount from Prop 301: \$4,484 State average salary amount from Prop 301: \$6,411 District average years of teacher experience: 8.5 Peer districts' average years of teacher experience: 14.9 State average years of teacher experience: 11.4 District percentage of teachers in first 3 years of teaching: 25% Peer average percentage of teachers in first 3 years of teaching: 7% State average percentage of teachers in first 3 years of teaching: 19%

Table showing per pupil revenues

District per pupil revenues from federal sources: \$4,354 Peer average per pupil revenues from federal sources: \$3,021 State average per pupil revenues from federal sources: \$1,317 District per pupil revenues from State sources: \$7,534 Peer average per pupil revenues from State sources: \$4,788 State average per pupil revenues from State sources: \$4,011 District per pupil revenues from local sources: \$9,226 Peer average per pupil revenues from local sources: \$12,812 State average per pupil revenues from local sources: \$4,592 District total per pupil revenues: \$21,114 Peer average total per pupil revenues: \$20,621 State average total per pupil revenues: \$9,920

Select revenues from common sources

District per pupil revenues from equalization formula funding: \$9,444 Peer average per pupil revenues from equalization formula funding: \$8,282 State average per pupil revenues from equalization formula funding: \$5,585 District per pupil revenues from grants: \$4,393 Peer average per pupil revenues from grants: \$3,020 State average per pupil revenues from grants: \$1,241 District per pupil revenues from donations and tax credits: \$41 Peer average per pupil revenues from donations and tax credits: \$125 State average per pupil revenues from donations and tax credits: \$90

Select revenues from less common sources

District per pupil desegregation revenues: \$0 Number of peers receiving desegregation revenues: 0 of 56 District per pupil small school adjustment revenues: \$509 Number of peers receiving small school adjustment revenues: 45 of 56 District per pupil federal impact aid revenues: \$0 Number of peers receiving federal impact aid revenues: 5 of 56 District per pupil voter-approved levy increase revenues: \$0 Number of peers receiving voter-approved levy increase revenues: 5 of 56

Table showing District's instructional spending percentage by fiscal year

2001 instructional spending percentage: 45.6% 2002 instructional spending percentage: 41.5% 2003 instructional spending percentage: 46.5% 2004 instructional spending percentage: 46.0% 2005 instructional spending percentage: 51.6% 2006 instructional spending percentage: 43.3% 2007 instructional spending percentage: 39.8% 2008 instructional spending percentage: 38.3% 2009 instructional spending percentage: 44.0% 2010 instructional spending percentage: 45.2% 2011 instructional spending percentage: 43.6% 2012 instructional spending percentage: 45.9% 2013 instructional spending percentage: 48.4% 2014 instructional spending percentage: 41.9% 2015 instructional spending percentage: 44.2% 2016 instructional spending percentage: 43.1% 2017 instructional spending percentage: 46.5% 2018 instructional spending percentage: 46.5%

Table showing District's financial stress assessment

Overall financial stress level: Low

Change in number of district students from 2016 through 2018: Small school adjustment Financial stress assessment for change in the number of district students: Low Spending exceeded operating/capital budgets from 2016 through 2018: No overspending Financial stress assessment for spending exceeded operating/capital budgets: Low Spending increase election results from 2016 through 2018: No election held Financial stress assessment for spending increase election results: No Measure Operating reserve percentage and trend from 2016 through 2018: 9.1%, Increasing Financial stress assessment for operating reserve percentage and trend: Low Years of capital reserve held from 2016 through 2018: 1 to 3 years Financial stress assessment for years of capital reserve held: Moderate Current financial and internal control status from 2016 through 2018: Marginally compliant Financial stress assessment for current financial and internal control status: Moderate
