COVID-19 UPDATE! Due to many variables outside of our control, this handbook will be updated often. Please be sure to check emails regularly. We encourage you to contact us if you have any questions or concerns!

Marching Band Parents and Students:

I would like to welcome you to the Mountain Brook High School Marching Band! By joining the MBHS Marching Band, you have joined a network of friends who share a common interest and are working together to achieve excellence in musical performance. You will learn musical skills, discipline, leadership, and teamwork – all while having fun. The MBHS Marching Band is scheduled to perform at 2 competitions, home and away football games, local parades, and other school and community functions. All rehearsals and performances are updated on our band calendar which is available on our band website:

<http://www.mtnbrook.k12.al.us/Page/9500>

The staff has been working hard this spring preparing our show for this upcoming season and we hope that you will be challenged by the show and have fun performing. The MBHS Marching Band is far more than music or drill on the field and that is all thanks to the attitude, energy, and enthusiasm you bring with you.

This informational packet has a wealth of information to help acclimate you to the MBHS Band Program. Please read thoroughly and contact me if you have any questions.

Sincerely,

Jason Smith
Director of Bands

Covid-19 UPDATES!

As we are updating our handbook, we are in the midst of an unprecedented pandemic. As information is provided to us concerning the nature of music education we will update our policies and requirements accordingly. Rest assured that we have already planned precautions for cleaning instruments and supplies and proper social distancing as required. Of course, we do not know what holds for us in relationship to concerts, athletic event performances, traveling, contests, etc. We will continue to update this handbook as quickly as necessary.

Mountain Brook High School Bands

The MBHS Marching Spartan Band provides the opportunity to understand and enjoy music through instructional activities that lead to the performance of music for outdoor events. It enforces the basic musical elements common to all sound instrumental music instructional programs and is one component of a well-balanced secondary level instrumental music program. Although the main reason for its existence is to promote musical growth and understanding, the marching band also serves a valuable role in meeting the needs of the school and community through extracurricular activities that strengthen public relations, provide entertainment for outdoor functions, and encourage parental involvement in school activities.

The MBHS Marching Band is composed of 9th-12th grade students who are currently a member of the MBJHS Band Program and the MBHS Band Program. The band combines members of the Dorians and the Color Guard to create the Marching Spartans. Although composed of several groups, the MBHS Marching Band is one unit with the singular goal of creating exciting performances for our audience.

The MBHS Marching Spartan Band will perform at all varsity football games, select pep rallies, parades and select band competitions. Competitions in the marching band setting can be an effective motivational experience for students if used as a means for teaching and reinforcing positive behaviors in the context of a well-balanced secondary level instrumental music program. Marching band competitions should be approached as one of the many learning opportunities available to students in the marching band, but not the primary reason for the marching band's existence.

Band Camp Information

Band camp is required of all band members. All band students are expected to be ready for camp by preparing physically and mentally over the summer break. Students who practice their instrument, prepare their music, and spend time outside in order to become acclimated to the heat will fare better during band camp.

Band Camp typically begins 2-3 weeks before school begins. As **all students are expected at band camp**, please make arrangements to avoid conflicts with vacations, summer camps, and other important happenings. Missed rehearsals by any student has a huge impact on other students. Please communicate conflicts early and often.

The following reasons are not excusable absences from band rehearsals or performances: part time jobs, birthdays or birthday parties, non-school related sporting events, concerts or other entertainment events, packing or cleaning for vacations, homework, studying for tests, being tired, or having a busy week.

MBS Band Parent Association

The MBHS Band Parent Association is composed of parents of band students from every level of the MBS Band Program, grades 6-12. We encourage all parents to support their students' musical aspirations as well as physically support the fundraising goals of our entire program.

2021-2022 MBHS Band Parent Association Executive Board

The MBS Band Parent Association develops, organizes, and implements fundraising activities for the band program. Through the fundraising efforts of our booster parents, all band students are provided additional instruction from professional musicians. Fundraising also allows the band program to provide quality instruments and provide proper upkeep to existing instruments.

The primary fundraiser for the band program is the **football concessions**. Parents are asked to serve in the concession stand at home football games (Varsity, JV, 7-9th grade) at the MBHS stadium. All proceeds serve every level of the program!

- *Concessions Mgr.* Amy Carle 205-613-5831 amyecarle@gmail.com

Sign-up Genius is utilized to allow parents to quickly choose a date and time that best fits their schedule. As every band student benefits from the funds that are raised, **we require that all parents volunteer to work in the concession stand!**

- *Sign-up Coord.* Amy Benton 501-940-1362 amylynnsb6@gmail.com

Each year, the band participates in several other fundraisers that will help the band raise funds for specific goals. Each member and parent are asked to participate, but participation is not required.

In addition, we have a dedicated **Equipment Crew**. Parents who wish to serve by loading, unloading, and moving equipment for performance and rehearsals may volunteer to serve.

- *Equipment Mgr.* Eddie Allen 205-908-9853 eddie_allen@deanfoods.com

The Band Boosters also sponsor our Band Banquet held annually in April. Parents volunteer to decorate for the event as well as help recognize parents and students for a successful year. As always, please do not hesitate to contact the directors if you have any questions or concerns.
