WORLD HISTORY TO 1500

2020 - 2021 Syllabus

- Grading Policy:** Test grades will account for 60% of the 9-weeks grade, with the remaining 40% being determined by quiz/daily grades. The grading scale is as follows: A (90-100), B (80-89), C (70-79), D (65-69), and F (below 65). Grades will be a reflection of mastery of the standards. Make sure all absences are excused as class work can be made up and graded for **excused** absences only. Until work has been made up, “NTN” (“not turned in,” which counts as a zero) will be put in the grade book. This will be updated as soon as work is completed and turned in.
- Late Work:** For unexcused absences and/or work turned in late, the following policy will apply:
- The assignment will drop one LETTER grade for each school day that passes. For example, if an assignment is turned in one school day late, the highest a student can receive is 89%; two days late, 79%, etc.
 - Once the late assignment has dropped to 59%, a student may receive up to 50% for late work turned in any time within a grading period (9 weeks). *Half credit is always better than no credit!*
- Make-up Test Policy:** It is the student’s responsibility to set up a time to make up a missed test. Students may schedule to make up a test before or after school.
