

Tuscumbia City Schools Before and After School Tutoring for Grades K-5

Rationale:

COVID-19 has exerted a tremendous strain on our early learners in grades K-5. Forced changes due to safety and the need to protect our students and staff from contracting this virus has also decreased the ability to educate our students in a consistent manner that has yielded past success. In order to mitigate the current loss in instruction time, Tuscumbia City Schools has developed the following plan for students in grades K-5 to provide remedial and tutoring services to those students in need.

Tuscumbia City Schools Plan of Action:

Both GW Trenholm Primary School and RE Thompson Intermediate School will offer before and after school tutoring for students in grades K-5 to address any learning gaps in the area of both Reading and Math.

- **Who may attend?** Any student who is in need of remediation or tutoring.
- **What is the cost to attend?** There is no cost for the parents. This is a free service offered to the students of Tuscumbia City Schools.
- **Times and Days of service?** Monday-Thursday 7:05-7:35 a.m. and 3:15-4:15 p.m p.m.
- **What will students learn?** Each student will have an individual plan developed based on STAR Reading and Math tests and teacher recommendation. The students will be instructed in the Science of Reading in order to close all reading deficiencies the students may currently exhibit.
- **How will students be measured for success?** All students will be progress monitored using STAR Reading and Math throughout the time they are attending the program. Students will demonstrate success by increasing their scores on these progress monitoring assessments.
- **Will parents be notified of progress?** Yes parents will be notified of progress that their child achieves through tutoring, but there will not be a formal letter sent home pertaining to tutoring success alone. Report cards, progress reports, and other communications will demonstrate the success of tutoring.

Registration Process:

Any parent who wishes their child to attend the before or after school tutoring sessions offered by Tuscumbia City Schools must complete a registration form. Once completed, the parents must send the form to the main office of each school. The school will notify each participant as to the dates they may begin attending tutoring.

Tuscumbia City Schools

Before and After School Tutoring for Grades K-5

Registration Form

Student Last Name	Student First Name	Student Preferred Name
Current Grade in School	Current Teacher	Morning or Afternoon
Parent/Guardian First Name	Parent/Guardian Last Name	Telephone Number
Please list the type of tutoring that your child needs. You may choose Reading, Math, or Both		
Please list the persons who are allowed to pick up your child from After School tutoring below. You do not need to include yourself.		
First Name	Last Name	Telephone Number

- This service is offered free for all students in the Tuscumbia City Schools District. Students may be dropped off 10 minutes prior to morning tutoring sessions and must be picked up no later than 4:20 p.m. for afternoon tutoring sessions. Parents who demonstrate an inability to pick up their child by 4:20, may possibly forfeit the afternoon tutoring service and only be allowed the morning tutoring options.
- By signing below, I have read and understood all provisions of this agreement. If you have any questions, you may contact your local principal.
