Attendance

Being at school every day is vital for students to be successful. It is the student's responsibility to get with his/her teachers, make up assignments in a timely manner, and turn in ANY absence excuse to Mrs. Aikens in the front office.

Parent/Teacher Communication

Communication is the key element in helping your student gain the most from his/her education at Beulah High School. Questions and issues concerning specific classes can generally be answered by talking directly to the teacher. Additionally, having your student's INOW information and logging into his/her INOW can provide some insight into your student's grades, attendance, etc.
