Freshman Check-in Meetings

We made it out of winter and are looking ahead to the excitement and warmth that spring brings! As part of our commitment to fostering a strong partnership between home and school, the school counselors would like to invite you in for a 9th grade check-in meeting.

9th grade check in meetings will be scheduled for 30 minutes in length during students' study hall/free periods, and we hope that parents can join these meetings as well. To schedule a meeting with their school counselor, students should work with their parents to complete the following [Google form](#), which includes a few questions that will allow me to better prepare for our meeting.

Once you have submitted this form, Mrs. Hopcroft will email you with your scheduled meeting date and time.

Juniors

Our Counselors partnered with Mr. Alessio and The Women's Center to offer a program on Online Safety in Health classes.

Junior Advisement

Mrs. Revis is currently meeting with junior families for post high school planning. An email was sent to all families on January 16th with more information. To schedule a meeting, students should work with their parents to complete the following [Google form](#), and then Mrs. Hopcroft will notify families of their scheduled meeting date and time.

Sending Midyear Grades to Colleges

First semester grades are finalized, please complete this [Google form](#) if you would like your first semester grades sent to any of the colleges to which you are applying. This report will include your first quarter, second quarter, and first semester grades. Midterm exam grades will not be included.

Coming Up This Month

Counselors will be visiting Freshman flexes to talk about stress and coping strategies.

The American Legion Department of Connecticut

American Legion Boys State - A Leadership Program for High School Juniors

As a program of The American Legion, Boys State developed from the concept that youth should be offered a better perspective of the practical operation of government; that the individual is an integral part and commensurately responsible for the character and success of his government. As such, it is an activity of high educational value, born out of a need for youth training in practical citizenship.

Boys State is easily classified as a leadership action program where qualified male high school juniors take part in a practical government course designed to develop in the young citizens a working knowledge of the structure of government and to impress upon them the fact that government is just what they make it.

To qualify to attend Connecticut Boys State, a student must be a **male high school junior**, maintaining a C or better average and a resident of the state of Connecticut. Boys State is a recognized activity of CASSP (Connecticut Association of Secondary School Principals) and time off from scheduled school activities is generally permitted to boys selected to attend the program. The Connecticut American Legion Boys' State Leadership Program will take place from **Saturday, June 22 through Thursday, June 27, 2019. There is no cost to the delegates. If you are interested, please see your Counselor.**
