Biology Make Up Assignment

Alternative Assignment

In order to make up points for a missed lab, practicum, or video you will be responsible for writing **one 2-page report** due the day you come back. The report should be **typed, double-spaced**, and in **MLA** format. (Write one two page report for each video, practicum, or **day** of lab you miss)

Circle one of the following topics and staple this paper to the front of the report.

Choose one of the following topics...

1. Scientific Method
2. Biochemistry (Chemistry of Life)
3. Cellular Biology
