

**DUAL ENROLLMENT INTEREST FORM 2020-2021**

Student Name \_\_\_\_\_ Grade (for 2020-2021) \_\_\_\_\_

Please number your choices in the order of priority. **This form must be turned in by February 28, 2020.**

I am interested in the following DE courses (number in the order by priority):

- \_\_\_ Math 105 College Algebra/Math 110 Pre Calculus
- \_\_\_ English 101 Freshman Composition/English 103 Critical Thinking & Writing
- \_\_\_ Spanish 101/Spanish 102
- \_\_\_ Biology 140 Ecology/Biology 117 Conservation Biology
- \_\_\_ English with Biology combo (possible new class) (Students will take English & Biology)

I understand that I must have a minimum cumulative GPA of 3.0 at TVHS in order to apply for this program.

I acknowledge that the classes are college courses and the courses cover more in one semester than a high school course covers in one year.

I understand that I will be applying to MSJC and will have to pay a \$6 Go Pass /RTA bus fee each semester. I must pay this fee each semester I am signed up to take an MSJC course even if I drop the course.

**I understand that I must complete the MSJC application and orientation by 2/28/19 and bring in verification of completion.**

I understand that I must pass the entrance exam to qualify to take the courses. (Study helps for the Accuplacer/placement tests can be found at <http://msjc.edu/assessment>)

My parents understand that since this is a college course they are not allowed to contact the teacher directly. It is the student's responsibility to communicate with the teacher.
