Your Blue View Vision network

Anthem Blue Cross and Blue Shield vision members have access to one of the nation's largest vision networks. Blue View Vision is the only vision plan that gives members the ability to use their in-network benefits at 1-800 CONTACTS, or choose a private practice eye doctor, or go in store to LensCrafters®, Sears OpticalSM, Target Optical®, JCPenney® Optical and most Pearle Vision® locations.

Out-of-network: If you choose to, you may receive covered benefits outside of the Blue View Vision network. Just pay in full at the time of service, obtain an itemized receipt, and file a claim for reimbursement of your out-of-network allowance. In-network benefits and discounts will not apply.
