COMMITTEE REPORTS

A.C.E.S. Representative

Ms. Hlavac reported there was not a meeting this month and meetings will resume in September.

Wintergreen Magnet School Steering Committee

Mrs. LaTorre reported there are no meetings during the summer.

School to Career Representative / Business Think Tank

Dr. Menzo reported the Business Think Tank will be held on September 8, 2017.

PTAC Update

Dr. Menzo reported the PTAC will be held on September 19, 2017.

Plan of Conservation Development

Mr. Reynolds reported there was not a meeting this month.

Food Services Strategic Plan Committee

Mr. Mensher reported the Food Services Department has implemented a more user friendly monthly menu for parents, food service managers & students. The new elementary menu choices have been updated to five daily choices. At the high schools they have rolled out a new scratch pizza which will be used daily as a specialty pizza option. The middle schools are scheduled to roll out the new specialty pizza on October 1st.

August 28, 2017

The department is currently looking at two companies to purchase software for menu planning, production and recipe needs. This will eliminate a Registered Dietitian and save the cost of consulting with one. They are currently working with the Technology Department on creating a Google program to record daily menu counts in all elementary classrooms electronically. This will eliminate students in the hallways / kitchen and Food Services would receive daily counts quicker in their kitchens.

The department is also working on a Food Services Survey. The draft is scheduled for completion on November 1st and the roll out is scheduled for the end of November. The Food Services Department has also joined the Connecticut School Nutrition Association. An opening of school meeting was held for all food services employees on August 23rd. Topics included expectations and goals, 6 hours of Professional Standards Training for employees was held as well.

OLD BUSINESS

There was no old business brought before the Board.

INSTRUCTIONAL COMMITTEE

Mastery – Based Learning Update - Watson

Dr. Menzo stated that the school district has been working in partnership with Office Depot, IBM and Watson and recently there was information shared on News Channel 8 regarding the launch of an aspect of Watson called *Watson Enlight for Educators*, the Darwin version, which is the first release. The launch will occur at the Middle School level for Math and English teachers. This is a teaching facing system. Student data will be for teacher interaction only. Professional Development will be held on Friday, September 1st for teachers. Professional Development will also be provided in November. The first phase will be looking at teacher planning and will move toward mastery. IBM Watson Classroom is a teacher-planning tool that will make the process more efficient, providing staff with more time to focus on instruction. Data will be taken from PowerSchool. The district has met all FERPA and HIPAA requirements. Dr. Menzo stated district attorneys have been very involved in this process. A letter was recently sent to parents regarding the partnership with Office Depot and IBM on developing and implementing IBM Watson Classroom. Wallingford is one of four innovation districts in the country. The other innovation districts are Sarasota, Florida, Oceanside, California and Lovejoy, Texas. All of the other districts involved are on the same timeline as Wallingford.
