

Unit 7 Module 1 Session 1

Multiplication Beyond the Basics

PRE-ASSESSMENT (TM T1-T4)

Getting Ready -(students may use)

- Scratch paper (class set)
- Rulers, class set
- Colored pencils for student use
- 9" x 12" construction paper (red and tan)
- Scissors for student use

Cut a 9" × 12" piece of red construction paper into $\frac{3}{4}$ " × 6" strips. Cut 2 or more sheets of 9" × 12" tan or light brown construction paper into 3" × 3" squares. Place a small handful of the strips and squares in a basket or other container for each table or cluster of desks
