Academic Decathlon	Aca Deca Team	Verbanszky	M3
Academy X Club	Academy X Club is a club/program where students have the opportunity to apply their formal STEM education towards designing and proposing solutions to world problems. Last year, groups worked to create a hypothetical solution to this pressing problem. Just to clarify, the goal of this program is not to actually solve the world issue, but rather use school education to incite the creative minds of students in developing their own unique perspective to share with others. This year, we are hosting a Lecture Series called "Perspectives to Change Our World", where professionals from different fields will come to Campo and share their story and their vision for the future.	Mrs. Madra	D9
