

2021-2022 Enrollment
Incoming Freshmen From Private Middle/Elementary Schools

We are pleased that you are interested in enrolling your child at Las Lomas next fall. Here are the steps that you will need to take to pre-register your student to attend Las Lomas:

1. Initiate the registration process

Please bring the following to the Las Lomas Counseling Office (Monday-Friday 8am-12:30pm, 1:30pm-3:30pm):

- Photo ID of parent/guardian
- Proof of residency within the Las Lomas boundaries – e.g. copy of lease, property tax bill or utility bill. Please note: although Las Lomas students can apply through open enrollment to attend one of the other three schools in the district, Las Lomas is an impacted school and can only serve students who live within our boundaries.
- 7th and 8th grade (to date) report cards
- Birth certificate
- Immunization records

2. Obtain registration appointment

- Upon completion of step 1, you will be provided a folder with a registration packet, a course request form, and an optional Athletic PE application form. In order to complete the registration process and schedule a registration appointment for your student, you must complete these forms and return them to Las Lomas.

3. 8th grade registration appointment with Las Lomas Counselor

- A brief registration appointment is offered to each incoming freshman and guardian. This 20 minute meeting with a Las Lomas Counselor will cover course selection, four-year planning, and the transition to high school.

Students and guardians are encouraged to attend Las Lomas' Virtual Open House on February 11th.

If you have enrollment questions, please contact [Russ Andrews](#).
