Through the National Speech and Debate association, the team will compete in tournaments, demonstrating their oratory skills while also fostering community and collaboration.

Strive	Wingate, D.	dwingate@cnsud.k12.ca.us	<p>Our club name is STRIVE which stands for supporting those in vulnerable environments. The purpose of our club is to support homeless people including children by organizing charity events, and campaigns that will be accessible to everybody to donate to, for instance, feminine products, diapers, food, clothing, etc. With this club, students will be able to appreciate what they already have, gaining a new perspective in life while also helping the community. Some ways we can raise money by selling cookies, customize facemasks, chips, drinks, candy, pop tarts, and more though after the pandemic is over. We have thought of trips we could also make, such as creating kits and providing them to the homeless. The kits would include feminine products food, clothing, water etc. The way we came up with this club idea is because so many people are losing their jobs because of COVID-19 or have already lost theirs due to stores and businesses closing. It would be an honor to help someone have a good day where they aren't worried about when their next meal would be or if they would make it till tomorrow. As a club we wouldn't be able to cure poverty, instead we would help those who lost</p>
			<p>Hope for life or needed some essentials to keep going. We want to send people a message, even those that aren't in our club to help those in need, they are human, and they have desires too.</p>

SWENext	Moulton, L.	lmoulton@cnsud.k12.ca.us	SWENext is dedicated to inspiring young women to pursue STEM and giving women a unique place and voice within the industry. Our purpose is to empower women to achieve full potential in careers in STEM and leaders while demonstrating the value of diversity and inclusion.
