Theme: "What is your story?"

Create two thumbnail sketches that represent the theme above. Consider whether you will do a drawing, painting, illustration or design. Your artwork may include the words "What is your story?" however it is not required. Your work can just be a visual reflection of the theme. Work from your imagination and/or find imagery that inspires you creatively. You may bring in your own photographs or use images from books or the internet to use as REFERENCE AND IDEAS ONLY, YOU MAY NOT COPY ANYTHING IN ITS ENTIRETY especially other artwork. Copying from others and using it as your own artwork would be considered PLAGIARISM. You can choose any medium and size that I have available in class to create your reflections project.
