

# Bucks Hill School

## 2nd Annual

# Vocabulary Parade

Friday, October 28, 2016

Miss Connecticut, Alyssa Taglia, who hails from Wolcott, served as parade marshal. She was escorted along the route by the school mascot.

Each student dressed up as a Tier 3 vocabulary word.

This year the theme was Geography and Politics.

The North End Middle School Marching Band provided the musical accompaniment.

The day was chilly with a strong wind, but students and parents enjoyed the event.

Each classroom worked on a particular theme, with some grades working on a central theme.
