CCSD is dedicated to providing a meaningful, comprehensive, and engaging education to all students so they participate responsibly in the global society.

## Bus Permission

This form need only be filled out once as long as your child(ren) attend CCSD.

The following child(ren), listed below, are currently enrolled in Craig City School District and have my permission to ride the Craig City School District bus to and from school as long as s/he is enrolled as a student. If you have any changes, a new form will need to be filled out.

Please list all your school age children who will be riding the bus.
