URGENT NOTE FROM SCHOOL

6/2/2022

Dear Parents and Guardians,

Please be advised that during yesterday's **summer school** on-site COVID-19 testing, we had two students and two employees test positive. School administration was made aware of the test results today. We also received a letter from the Director of Tribal Health Department this afternoon in regards to the positive test result. Due to this outbreak at our campus, School will be closed until June 8th, 2022.

The Tribal Health Department scheduled COVID-19 testing, onsite for our **enrolled summer session students and staff, Monday, June 6 from 8am to 11am in the gym**. Negative results must be confirmed before students or staff may return to campus on Wednesday, June 8th. During this school closure, meals will not be served.

School administration will let you know if anything changes. We appreciate your understanding in this matter. The safety of students and staff is our utmost concern. Please check the school's website and/or School's Facebook for updates. Should you have any question, please call 520.215.5859.

Thank you,
BWCS Administration
