

# AP Calculus AB

## 2017 Summer Assignment

Mr. Rivera and Mrs. Schempp

- IXL Topics to be completed by the first day of school:
  - Pre Calculus Skills
    - M1-17
    - N1-9
    - O1-4

Please review Logarithms as well.

These sections will count towards a 50 point assessment grade and will be the first grade for Calculus. Your average of the 30 skill sets will be used to calculate the points out of 50 that you will earn.

There will be a **test** with these topics the first week of school so be prepared.
