Virtual Learning: MicroSoft Teams

π

To properly integrate MS Teams into your digital eco-system, you need to set up your school Microsoft email, access the Office 365 portal and then (I recommend) download and install the MS Teams app on your computer.

Go to the CMHS homepage > Resources > Technology > [Student Computer, Office 365, Email Login Information](#)

Home > Resources > Technology

Student Information

- Student Technology Use Policies & Procedures 2019-2020**
Click here for classroom technology use policies and procedures.
- Student Technology Use Policies & Procedures 2019-2020 Electronic Form**
After students have reviewed the policies and procedures listed above students should click here to complete the electronic form.
- Student Computer, Office 365, Email Login Information**
Click here for detailed information on how to login to a school computer, Office 365, and email

The section you want is Office 365 Computer Login/Email. Read the description for your student email. When you get to portal.office.com- bookmark this site! Then click on Teams or install Office directly onto your computer. Be sure you can access your school email as well with Outlook.

Using Your Canvas Course

π

1. Canvas is the Learning Management System (LMS) for all Cabarrus County Schools.
2. TO GET TO CANVAS GO TO CMHS WEBPAGE AND CLICK ON CANVAS ICON
3. You have already been placed into all of your Canvas Courses at Cox Mill High
4. For this class the Canvas Intro Page (Home Page) helps you navigate in Canvas
5. Class Calendar, Announcements, Discussion Boards, and most importantly, Lesson "Modules" can be accessed easily from the homepage or side bar in Canvas
6. Canvas will list your homework and let you know if you are to submit it in Canvas or in WebAssign or College Board's My Classroom.
7. YOU SHOULD CHECK CANVAS DAILY AND NOT JUST GO TO YOUR HOMEWORK (WEBASSIGN, ALEKS, ETC...) TO SEE IF YOU HAVE WORK!

Attendance

π

ATTENDANCE WILL BE TAKEN WHEN YOU ATTEND YOUR VIRTUAL MICROSOFT TEAMS VIRTUAL CLASSES

YOUR TEACHERS ARE REQUIRED TO REPORT YOUR ATTENDANCE DURING EACH CLASS

“TEAMS” SHOW YOUR TEACHERS WHEN YOU SIGN IN AND WHEN YOU LEAVE.

Just like if we were meeting in the classroom, you will be expected to remain in the virtual class For the time allotted.

Grading Policy & Assignments

π

Grading Policy

- Unlike this past spring, we are keeping grades.
- You will be graded on homework, classwork, quizzes, tests, projects
- The percentages of such will be presented to you during the first week of class and depends on which class you are taking.
- Overdue assignments will only be eligible for <50% credit and may be denied depending on circumstances.

Assignments

- Canvas is the LMS. All lessons & assignments will be in Canvas. Canvas will tell you what your assignments are (homework, quiz, test etc...)
- The actual assignment will be in a different software (Aleks, WebAssign, etc)
- Because we are working remotely, you will be given plenty of time to get assignments done. You must complete them by due date

Class Curriculum & Syllabi

π

AB/BC CALCULUS

- › If you are taking AB Calculus with me, you should also be taking BC Calculus with me.
- › AB Calculus is College Calculus 1 & BC Calculus is College Calculus 2.
- › We follow the curriculum listed in AP College Board but in the order of your textbook, Stewart Calculus Ed7.
- › AB Covers chapters 1-6,& 9 while BC covers chapters 7,8,10,11
- › Syllabi is posted in Canvas.

HONORS MATH 2 (AOIT)

- › Honors Math 2 is a continuation of Honors Math 1, with an emphasis on technology, and reviews a lot of the same topics. It then adds Geometry topics & introduces additional topics on operations with functions.
- › There is no textbook since CCS was only issued Alg.2 textbooks & Geometry textbooks about 10 years ago.
- › Additional helps such as Kahn Academy, Aleks, Math Videos will be provided
- › Syllabi is posted in Canvas
