# The Good, the Bad, and the Textbooks!

- ▶ CCP is a process from application, testing, registration, requesting books, taking classes, reporting grades...you must stay organized and meet your deadlines!
- ▶ It is best if you know your pathway to ensure the courses you take will benefit you and can be transferred into your course of study.
- ▶ The Financial Aid begins to tick when CCP begins, and a poor college GPA from CCP could affect your ability to get aid.
- ▶ Textbooks are ordered by DCS and are not to be acquired by the student or parent, a textbook list with ISBN numbers must be turned in to your school counselor.
- ▶ Textbooks are to be returned to your school counselor immediately after the semester ends.
- ▶ Let's hear from our CCP students....
