Carrington Presented at Brass Mill Mall

Several Waterbury area schools presented to the public at the Brass Mill Mall on Saturday, October 13th. Carrington school students displayed and performed the academics of science, social studies and poetry as well as physical fitness, music, and art. Second graders demonstrated the physics of solutions and some Hispanic heritage. The fifth grade cheering squad performed, and fifth grader Rachel Petersen raised funds for cancer research. Violinists Merna and Merel Dimtry performed *Ode to Joy* and a French folk tune. Lakhia Paul and Tatiana Samuels sang Carrington's alma mater. Melia Potts and Zaree Tolson presented on the U.S. Constitution. Billy Davino stated the constitution's preamble as it was originally intended in George Washington's time.

Carrington (the poem)

Carrington School is very cool!
Principal and teachers are not cruel,
Carrington is small and spooky from the outside,
But warm and happy inside,
If you ask me, what's Carrington School made of?
I'll tell you the best way I know!!!

- Caring
- Awesome
- Respectful
- Responsible
- Intelligent
- Nice
- Golden
- Thoughtful
- Outgoing
- Noble
- Super
- Cool
- Happy
- On time
- Outdoor play
- Learning is fun

That's what Carrington is made of.
All the best and plus, we are family with love and care
We are cougars and we won't spare!!
Principal and teachers at Carrington School,
You all, who lead Carrington to success,
You, to this school your time is devoted
To you this poem is dedicated!!
