## LESSON 12—2 RETEACH

*Directions:* Make a bingo sheet for each student with four rows and four columns as shown. Write one term in each space and leave one space open for a free space. Make the positioning of the terms different on each student's sheet. To save time, give the students blank bingo sheets and let them write the terms in the spaces. As each definition is read, the students cover the appropriate term. If a student covers an incorrect term, he or she must remove that bingo chip. The game continues until a student covers four terms in a horizontal, vertical, or diagonal row.
