## CAMPOLINDO HIGH SCHOOL CALIFORNIA SCHOLARSHIP MEMBERSHIP GUIDELINES AND APPLICATION Chapter #715

CSF Advisors: Jake Donohohe

CSF Application times: September 23-25, &28th & February 9-12th. In September, students should refer to the 2<sup>nd</sup> semester grades from the previous academic year. In February, students should refer to the 1<sup>st</sup> semester grades issued in January. CSF Membership is neither automatic nor compulsory. The student must apply for membership during the application period. Membership is based on semester grades from the prior semester. Students who are members for at least 4 semesters using grades earned in 10<sup>th</sup>, 11<sup>th</sup> and 12th grades will be awarded Life Membership (Seal-bearer) status. To qualify for CSF, the guidelines

- below must be followed:

  1. Based on the previous semester grades, applicants must earn a minimum of 10 points from the CSF approved lists (See the reverse side of this page.)
  - a. The first 4 points must be from List I.
  - b. The first 7 points (including the four points described above) must be from List I or II.
  - c. The remaining points may come from any Lists (I, II, or III).
  - 2. Applicants may use no more than 5 courses to qualify for CSF membership.
  - 3. No CSF points are given for physical education, subjects repeated to improve a grade, student assistant, or office assistant positions.
  - 4. CSF points are granted as follows:
    - a. A grade of A = 3 CSF points.
    - b. A grade of B = 1 CSF point
      One additional point shall be granted for a grade of A or B in an AP or Honors course, up to a maximum of two such points per semester.
    - c. A grade of C = 0 points.
    - d. A grade of D or F in any course makes a student ineligible for that semester.
  - 5. Application for membership must be submitted each semester a student is eligible. Membership Application forms are accepted **ONLY** during the current registration period. No late or retro-active applications will be accepted.
  - 6. Requirements for becoming a Life Member (Seal-bearer) are as follows:
    - a. CSF membership in at least 4 semesters starting with grades earned in **sophomore** year
    - b. One of these semesters must be from grades earned your senior year. (Note: Grades from 2<sup>nd</sup> semester senior year can be used as the 4<sup>th</sup> semester for Life membership, but it may not be possible for those grades to be verified in time for recognition at Senior Awards night.)
    - c. Freshman year **does not count** toward Life Membership.

## CSF FAQ

What is CSF? CSF is a statewide organization to honor outstanding high school students for their academic achievements. **Do I get a scholarship for being in CSF?** Being in CSF does not guarantee that you will get a monetary scholarship, but membership is something that you can put on your list of awards and activities and those who have met the requirements for Life Membership (Seal-bearer) status will be recognized at Senior Awards night.

Why do we pay membership dues? The CSF state organization charges CHS membership dues in order to belong to their academic honor society. The dues also cover the cost of awards given at Senior Awards night.

The following excerpts were taken from the CSF website, www.csf-cjsf.org:

What happens if I miss the membership deadline? Membership is neither automatic nor compulsory. The By-Laws (Article IV, Section 2) and every chapter's mandatory Standing Rules (Article III, Section 3) require that the eligible student actually apply for membership, and retroactive membership (after the deadline) is prohibited. Excuses such as forgetting to apply, inability to find one's report card in a timely fashion, failing to heed school announcements about the application period, absence on the last day of the application period, and other mundane excuses are not acceptable.
